

*Invitation to a GTE Workshop on Transparency; The Hague, 30 September 2009*

Dear Sir / Dear Madam,

It is with pleasure that GTE would like to invite you to the **GTE workshop dedicated to three transparency topics: the implementation of Regulation (EC) 715/2009, further development of GTE+ Transparency Platform, and the transparency requirements of the proposed guidelines to be annexed to Regulation (EC) 1775/2005**, which will take place on **30 September 2009 in The Hague, the Netherlands**.

The aim of the workshop will be to discuss all the topical transparency issues together and to come to a common interpretation and consistent implementation of the requirements across Europe.

GTE members are committed to implementing new transparency requirements and would like to ensure that this is done in the most efficient way and provides the added value that is expected from the new information provision.

We would be grateful if you could inform us of **your participation** by completing the [registration form](#) **by 22 September**. Please note that detailed agenda of the workshop as well as the venue in The Hague will be made communicated to you soon.

On behalf of GTE, I thank you in anticipation and am looking forward to some fruitful and constructive discussion. Please note also that GTE remains at your disposal for any further queries you might have.

Yours sincerely,

Jacques Laurelut  
GTE President
